

Dear Confirmation Parents or Legal Guardians,

Regarding the COVID-19 pandemic, we assure all parents/legal guardians that we are and will continue to comply with the guidelines set by the Archdiocese of Detroit in adherence with Governor Whitmer's Executives Order regarding places of worship.

Therefore, to safeguard our families and faith-based community, in compliance with social distancing requirements we have made the following adjustments to maximize the 50 percent capacity seating for houses of worship (**please refer to charts**)

The following are in place and we ask that all comply:

- The celebration of Holy Mass will **be reserved for the Confirmation graduates, sponsors and their families.**
- **All center pews will be reserved for the graduates & sponsors** (boys on right when facing altar and girls on left when facing altar)
- Seating arrangement for graduates and sponsors will be **assigned by the instructors.**
- Sacramental lines (Laying of the hands) will maintain **six feet of distance between each graduate/sponsor pair**
- Communion lines — will maintain **six feet of distance between people.**
- Capacity inside churches may **not exceed 50 percent**

Reconciliation Procedures:

- Please attend on your scheduled day (see charts)
- Candidates will sit in the pews nearest to the confessional.
- Fr. Fred and other priests will either be six feet apart /or parted by confessional prie dieu from each candidate who is confessing.
- Penance will be done in the center pews facing the Holy Tabernacle.

Respectfully yours in Christ,

Fr. Fred, Sr. Katrina, Sr. Klaudia and the Confirmation Staff
